Pursuant to Alabama Code § 35-4-153, the Grant of Easement executed by the plaintiffs on or about December 28, 2007 is **reformed** and **revised** on the ground of mutual mistake of the parties to provide that the right-of-way granted to SESH is defined as the 50-foot strip of land immediately contiguous to the southern boundary line of the Gateway Easement, without regard to the position of the pipeline within that strip.
